
SFC Western European Training Camp 2014

W. Hock Hochheim

Guro Hochheim was a professional with US Police and Military Forces for many years. He holds Black Belt Degrees in a variety of martial arts and has decades of hands-on experience. He's a world renowned expert in handling and defending with stick, knife, gun and hand to hand attacks. On a regular basis and in eleven countries, Hock teaches solutions for scenarios of aggression, tactical demeanor and survival strategies as well as drills and methods for the development of personal skills, speed and power.
